

# TECHNICAL REGULATIONS 2019

## Up-Date N° 001

The text below :

### 1.3 TIRES

#### 1.3.2 Particular applications :

X30 Cadet ,Junior ,Senior ,Master,Gentleman,Supershifter.

#### Rain tyres (" race's spare "):

- For the 'spare' rain tyre, the contestants will have to remove a 'spare tyre' voucher in due time with their respective dealers.

This voucher will allow them to replace said tyre with an emergency tyre that will be registered.

Only after the registration the 'spare' rain tyre can be used.

#### Authorized quantity : (Per meeting)

- 2 Front tyres and 2 back tyres
- 1 spare tyre (Front or back)

**For the qualifying practices, qualificative heats, prefinals and finals the only usable tyres are those that were authorized and registered by the organization.**

They will be verified before every use (qualifying practices and races)

Is replaced by :

## **Rain tyres (" race's spare ") :**

- For the 'spare' rain tyre, the contestants will have to remove a 'spare tyre' voucher in due time with their respective dealers.

This voucher will allow them to replace said tyre with an emergency tyre that will be registered.

Only after the registration the 'spare' rain tyre can be used.

## **Authorized quantity :** (Per meeting)
